

Foot Care Nurse

If you are a compassionate, enthusiastic and experienced LPN who is eager to make a difference in the lives of our clients, CBI Health Group has an exceptional role for you as a Foot Care Nurse on our team.

Working on a casual/Part time/Full time schedule as part of CBI Health Group/We Care Home Health Services, a division of CBI Health Group, you will use your nursing skills and expertise to provide foot care services to clients who are unable to care for themselves, and assist them in maintaining their dignity. As our ideal candidate, you are the type of person that provides compassionate care and you will treat our clients the way you would want your own loved ones to be treated. This is an excellent opportunity to become an integral member of a team thriving in a “family” culture.

Grow your career with us!

With the support of experienced colleagues and nursing leaders, at CBI Health you will be empowered to play a pivotal role to help clients and their families live their best lives in a variety of community settings.

Take a look inside what you’ll do each day:

- You will be able to apply your clinical skills to conduct all aspects of foot care clinics and foot care visits according to the established highest quality care standards of practice;
- Create and maintain related client documentation in accordance with set guidelines, including collection and submission of evaluation data;
- Teach and educate on foot care-related topics;
- Determine and carry out appropriate advanced foot care nursing interventions;
- Be aware of the hazards in the environment and act accordingly in meeting the safety and protection needs of the client;
- Take every reasonable precaution to ensure that the workplace is safe, in keeping with the Occupational Health & Safety Act.

Here’s a look at our total rewards:

- Competitive compensation;
 - Comprehensive benefits plan;
 - Flexibility to match your schedule to your lifestyle;
 - Thorough, supportive onboarding program, peer-to-peer support, mentorship and ongoing learning and development to continuously advance your nursing knowledge and skills;
 - Access to 24/7 support, no matter where you are;
 - Opportunities to provide preceptorship to students, participate in program development initiatives, and progress within the organization.
-

What you will need to be successful:

- Licensed Practical Nurse and in good standing with the BCCNP;
- Have completed an approved Advanced Foot Care Training Program;
- You are able to provide proof of your liability insurance, current CPR and First Aid certification and a police check with a clear vulnerable sector screening Be dedicated to providing the highest quality of client care;
- You recognize and respect the role of each member of the interdisciplinary team and demonstrate excellent communication skills to facilitate collaborative care;
- You have an appreciation for diversity and actively seek to be inclusive in your practice;
- You understand the critical role of home health care in supporting the larger health system, and demonstrate confidence in navigating clients and families to other resources to help them meet their goals;
- You embrace the use of technology to support your practice;
- You have access to a reliable and insured vehicle, a valid driving license and are able and willing to travel to a variety of settings within Comox;
- Strong verbal and written English communication skills required; the ability to communicate in French or other languages is considered an asset;
- Have excellent time management and organizational skills and be able to work independently;
- Be empathetic with an effective ability to build rapport with clients.

When you join our team as a Foot Care Nurse you'll belong to one of Canada's leaders in the healthcare industry, with 250 locations across the country.
